

Ethernet hubs from NETGEAR

simple, affordable, and reliable

10BASE-T Ethernet Hubs

EN104 EN108 EN116 EN104^{TP} EN106^{TP} EN108^{TP}

NETGEAR's EN100 Series Ethernet hubs connect your PCs for the important functions you need—file, print, resource, and Internet access sharing, e-mail communications, and multi-user network gaming. Flexible, straightforward and cost-effective, these hubs deliver an extraordinary value for users seeking a highly dependable and easy-to-use connectivity solution.

POTENT

Effectively provides data exchange, resource sharing, and client/server or peer-to-peer applications solutions with simple UTP (unshielded twisted-pair) wiring.

ACCOMMODATING

Links to other networks using thin coaxial cables connected to the BNC port, or by using other cabling with appropriate external AUI transceivers for great backbone support.

EXPANDABLE

Push-button uplink port simplifies cascading with other hubs for network expansion using standard UTP cables.

PROTECTED

Limited lifetime warranty assures you of long-term peace of mind.

COMPACT

Slim, sturdy, metal case design means these hubs fit in almost anywhere without cluttering your workspace. Desktop and wall-mount kits are included.

EASY

Installation is just Plug and Play. LEDs are integrated in the network ports, which simplifies installation even more, and makes network monitoring a breeze.

Help is there when you need it!

Max AC Power 11 W/5.9 W	7.3 W	16.5 W/8.6 W	20.5 W
AUI/BNC Port BNC/None	None	AUI and BNC/None	AUI and BNC

AC Voltage

Plug localized for country of sale only in North America, Japan, UK, Europe or Australia

Standards Compliance

IEEE 802.3i 10BASE-T, 10BASE-2, 10BASE-5 10 Mbps Ethernet
Windows, Macintosh, Novell NetWare, Lantastic

Status LEDs

Unit: power, collision; Per 10BASE-T port: Link, Rx
AUI port: Active, Rx; BNC port: Active, Rx

Environmental Specifications

Operating temperature: 0 to 40° C
Operating humidity: 90% maximum relative humidity, noncondensing

Electromagnetic Compliance

CE Mark, commercial
FCC Part 15 Class A
EN 55 022 (CISPR 22), Class A
VCCI Class A

Electromagnetic Susceptibility

CE Mark, commercial

Safety Agency Approvals (power adapter)

UL listed (UL 1950), cUL
T-Mark
TUV licensed (EN 60 950)

Warranty

Hub: Lifetime
Power adapter: 3 years

PACKAGE CONTENTS

Hub
AC power adapter
Installation manual
BNC "T" connector and terminator
