To learn more about ThinkVantage technologies and other items, open the ThinkVantage Productivity Center by pressing the ThinkVantage button.

**Productivity Center**
Productivity Center guides you to a host of information and tools to help you set up, understand, maintain, and enhance your ThinkPad computer.

**Access Connections™**
Access Connections allows you to seamlessly switch between wired and wireless environments while automatically managing security settings, printers, home page and other location-specific settings.

**Client Security Solution (specific models only)**
This unique hardware-software combination helps protect your data, including vital security information like passwords, encryption keys and electronic credentials, while helping to guard against unauthorized access to data.

**Rescue and Recovery™**
Rescue and Recovery includes a set of recovery tools to help you diagnose, get help and recover from system crashes quickly, even if the primary operating system will not boot and you are unable to contact your support team.

**System Migration Assistant™**
System Migration Assistant helps you get up and running by quickly and accurately migrating your data and settings to your new computer.

**System Update**
System Update downloads new Lenovo software, drivers and BIOS available for your ThinkPad computer.

To learn more, press the ThinkVantage button.

---

**Using Access Help (online manual) and the included manuals**
To find detailed information about your ThinkPad computer, open Access Help, or see the Safety and Warranty Guide or the Service and Troubleshooting Guide.

**Access Help**
Access Help is a comprehensive online manual that provides answers to most of your questions about your computer, helps you to configure preinstalled features and tools, or solve problems.

- To open Access Help, do either of the following:
  - Press the ThinkVantage button. Under Quick Links in the ThinkVantage Productivity Center, click "Access on-system help."
  - Click Start, move the pointer to All Programs; then to ThinkVantage. Click Access Help.

**Safety and Warranty Guide**
- Important safety information
- Operating environment and other important notices
- Warranty information

**Service and Troubleshooting Guide**
- Introduction to other sources of information
- Important tips for taking care of your computer
- Diagnostics and troubleshooting
- Recovery options
- Help and service
- Warranty information for your computer

* Additional unpacking notes:
1. Some models may contain items that are not listed.
2. If any item is missing or damaged, please contact your place of purchase.
3. Everything for recovering factory-installed files and applications is on your hard disk eliminating the need for a recovery disc. For more information, see "Recovery options" in the Service and Troubleshooting Guide.
