

Technical Update

Important information – read before using the IBM EXP400 Storage Expansion Unit

This Technical Update supplements the documentation that comes with your IBM® EXP400 Storage Expansion Unit.

Before using your expansion unit, go to <http://www.ibm.com/pc/support/site.wss/MIGR-52711.html> for important information. You might need to update the firmware on adapters installed in the server that is connected to the expansion unit or on the hard disks.

First Edition (September 2003)

Part number: 88P9263
